Dear Sir:

In response to the Office Letter mailed January 15, 2002, applicant hereby amends the above application as follows:

Abstract

All references to the "present invention" are replaced with "multi-channel container." Substitute the new Abstract as follows:

The multi-channel container comprises of a multi-channel single-tube sealed container and applicator that defines multiple channels within its body that may contain different substances in each channel and that is sealed on both ends. A score is formed at
